Center for Substance Abuse Treatment (CSAT)

Government Performance and Results Act (GPRA) Client Outcome Measures for Discretionary Programs

SAMHSA's Performance Accountability and Reporting System (SPARS)

March 2019

Public reporting burden for this collection of information is estimated to average 36 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information, if all items are asked of a client/participant; to the extent that providers already obtain much of this information as part of their ongoing client/participant intake or follow-up, less time will be required. Send comments regarding this burden estimate, or any other aspect of this collection of information, to the Substance Abuse and Mental Health Services Administration (SAMHSA) Reports Clearance Officer, Room 15E57B, 5600 Fishers Lane, Rockville, MD 20857. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. The control number for this project is 0930-0208.
